Wimbledon College

Dedicate a Chapel Chair

Terms of Dedication

Updated 23 November 2026

Your gift

1. Your gift is a donation to Wimbledon College, administered by Jesuits in Britain CIO. It is not a purchase.
2. As a thank you for a gift of **£50 or more**, the College will install an engraved dedication plate on a Chapel chair.
3. A dedication does not give ownership of the chair, a reserved place in Chapel, or any seating or ticket privileges.

Your dedication plate

4. Dedication plates are limited to **three lines of 30 characters each**. The College has final approval of all wording and formatting, and reserves the right to decline or request amendments to any inscription that is defamatory, commercial, political, inappropriate, or inconsistent with the College's values. Business or company names cannot be included.
5. The College allocates chairs. Individual chairs cannot be chosen.
6. Dedication plates are installed in batches. The College will confirm your wording with you before engraving. Wording cannot be changed after engraving.
7. Dedication plates remain the property of the College and are intended to remain in place for the useful life of the chair. The College reserves the right to relocate, remove, or replace a dedication plate at its discretion, including due to Chapel refurbishment, reconfiguration, or maintenance, or if a named individual brings the College into disrepute.

Refunds

8. If the College cannot agree suitable wording with you, or all chairs have been dedicated, we will contact you to offer a refund or to treat your gift as a general donation to the School Fund.

Your data

9. Your personal data will be handled in line with Jesuits in Britain’s privacy notice (jesuit.org.uk/privacy).

Names and permissions

10. By submitting a dedication, you confirm that you have the right to use any name included in it. If you are dedicating a plate in the name of another living individual, you confirm that you have obtained their permission (or, for a minor, the permission of their parent or guardian) to display their name publicly. For memorial dedications, you confirm that you have the permission of the deceased's next of kin, and the College reserves the right to consult with the deceased's immediate family or next of kin regarding the proposed wording prior to engraving. The College accepts no responsibility for dedications submitted without the appropriate permission. If a concern is raised about a dedication, the College may amend or remove the dedication plate at its discretion. In that case your donation will not be refunded, as it is a gift to the School Fund and not a purchase.
