

## Labour Market Information

Labour Market Information (LMI) is a useful tool to help research future jobs in the local area, understand the skills needed for certain roles and the demand for future employment.

Boys have access to this information through their Unifrog accounts where they can search specific jobs and whether they are a growing sector of employment. We would also recommend using the tools below to help understand the Labour Market in more detail.

### 1. Unifrog

#### Management consultant

##### UK Current Jobs

**Business, research and administrative professionals (SOC3)**

UK jobs: 573,583

Merton jobs: 5,029 (40th of 214 UK LEAs)

Top 5 LEAs: Surrey (20,367), Hertfordshire (17,196), Hampshire (15,207), Essex (13,813), Kent (13,078)

##### UK Salary

**Management consultants and business analysts (SOC4)**

UK annual median: £42,690

**Business, research and administrative professionals (SOC3)**

London annual median: £52,625

Top 3 regions: London (£52,625), South East (£46,790), West Midlands (£43,916)

##### UK Prospects

**Business, media and public service professionals (SOC2)**

##### What is SOC?

Standard Occupational Classification (SOC) codes are the UK government's official method of sorting jobs into categories.

SOC4 sorts all jobs into 370 different categories, SOC3 has 90

### 2. LMI for all

[http://www.lmiforall.org.uk/explore\\_lmi/](http://www.lmiforall.org.uk/explore_lmi/)

Use the careerometer to find out about working hours, salary and job growth.

### 3. Nomis

<https://www.nomisweb.co.uk/>

This gives a detailed breakdown of employment by age, gender and earnings.
