## Extra-Curricular Activities 2022-23

Wimbledon College offers a large range of extra-curricular activities. These complement the curriculum and offer pupils the opportunity for learning and developing in different ways. There is a wide range of major and minor sports. Music and drama are also significant areas of activity in the school.

All pupils are encouraged to participate in at least two activities and most do so. By getting involved in activities beyond the classroom, pupils participate in the life of the school and have ownership of their school. This supports their studies and, time and again, we see that those who are most involved in the extra-curricular programme are those who do best in their studies.

There are also opportunities for parents.

Recent research in schools showed that in schools offering 30 or more extra-curricular activities, pupils' GCSE results (and especially in the case of pupils) could be raised by as much as 66%. It is certainly our experience that pupils who are heavily engaged in the extra-curricular life of the school both do well academically and tend to be happier well-adjusted people.

Whether you are parent or pupil, do get involved in the extra-curricular programme at Wimbledon College: expand your horizons and make the most of your God-given talents.

# Chaplaincy

The chaplaincy is one of the many ways in which Wimbledon College cares for each individual student as a whole rounded person. Our Jesuit identity and Catholic Christian faith are interwoven through all we do as a school, but the Chaplaincy has a particular role within this for helping students to have opportunities to develop their faith and relationship with God, to ask questions, to learn and explore, to reflect on their own lives, to be challenged by new experiences, and to see how the faith links with their lives.

The Chaplaincy is there for each and every student; it always has an 'open door' for anyone who is seeking some help or support, and works closely with the PSAs and Heads of Line to provide pastoral care. There is a very wide range of activities and opportunities on offer for all students to be able to be involved in some way. You can keep up to date with Chaplaincy activities through the chaplaincy section of the website.

## Figures & Rudiments Chaplaincy Activity Group

A group for Figures and Rudiments students where we will take part in activities like art projects, origami making, rosary making, watching films, social justice campaigns and games.

Training begins in September

## Homeless Sleep Out

It is estimated that over 15,000 are homeless in London. This is a major social problem of our times. The Homelessness Experience aims to inform and allow Sixth Form pupils to experience homelessness first hand. Pupils will spend a night sleeping rough on the school playgrounds, as well as discovering some of the real-life stories of homeless people, spending time in prayer and reflection, and using the experience as a fundraising opportunity to support some of the charities that do great work in supporting homeless people and helping to transform their lives.

## Strings Project

This venture in music education was started in 2005. We aim to offer a large group of pupils in Figures (Y7) and Rudiments (Y8) the opportunity of learning a string instrument (violin, viola, cello or double bass) free of charge for a year. The instrument is also loaned free. Pupils are asked to commit 20 minutes a night to practice. In school they will work in ensembles and be taught in groups by specialist strings tutors. At the end of the course the pupils will take part in a concert.

**All parents in year 7 and 8 have been emailed about this. Please fill out the Google Form below:**

## Duke of Edinburgh Bronze Award

The Duke of Edinburgh Bronze award is available at the College to pupils entering Year 10. The award requires pupils to complete a physical, skills and volunteering section in their own time for a time period of up to 6 months. The final section is the completion of a 2 day self-sufficient expedition of the Surrey Hills where pupils will work as a team to navigate their way through the countryside, be responsible for their equipment and cook and prepare their food for each day. The award is very popular with up to 50 pupils participating in the award each year, some of whom later go on to complete the Gold Award with Merton whilst studying in the Sixth Form. It is a nationally recognised award and has been seen to have a real impact on our pupils, who upon completion have grown in confidence and developed a range of life skills that fit closely with the characteristics and virtues of the Jesuit Pupil Profile.

For more information about the Duke of Edinburgh award please visit [www.dofe.org](http://www.dofe.org)

# YOUNG SCIENTISTS

## Chemistry GCSE and A- Level Support

These weekly sessions allow A Level and GCSE pupils to receive extra support on any topic they are finding difficult. It involves small group teaching, problem solving and one to one support where needed. Those looking for an additional challenge at A-Level are also welcomed and accommodated working towards the Chemistry Olympiad run by the Royal Society of Chemistry and the Cambridge University Chemistry Challenge.

Yr 12 & 13 Support – Thursdays 3.10pm (Sc5) Mr Graham  
GCSE Support Year 11 – Wednesdays 12.40-1.20pm (Sc3) Mr Sadiq

## Physics Support

These weekly sessions allow GCSE and A level students to receive additional support and mentoring on topics which they find difficult. There will be the opportunity for individual support as well as peer mentoring from the Yr 12 & 13 students for the younger students. Other activities will also take place where students can carry out practical work with guidance; videos will be available and shown on a monthly basis. Students will have access to the extra resources such as text books and journals which are crucial for the breadth of reading that is required for A level studies.

**A Level and GCSE Students**  
Friday lunchtime 1240-1.20pm in Sc7  
Mr Fenocchi

## Science Club

As a science and maths specialist school, we offer a number of enrichment activities in these areas. The science clubs provide an opportunity for scientists to extend their knowledge and design their own experiments.

# Major Sports

The **Major Sports** programme is the core of the sporting activity and offer at the College. We currently have seven major sports: **RUGBY, RUGBY 7s, FOOTBALL, CRICKET, BASKETBALL, ATHLETICS and SWIMMING.**

The aim of the Major Sports programme is:

- to involve large numbers of pupils and field as many competitive teams as possible
- to select teams on talent
- to run a full fixture list against other schools
- to enter competitions
- to train at least once a week
- to give pupils the opportunity and encouragement to play at district, county, regional and national level

All pupils are encouraged to try out for the Major Sports. Pupils who have a talent for a sport and are selected for teams will be expected to train and play for the school. This must take precedence over out-of-school teams and commitments.

A full list of fixtures, team sheets and match details can be found on the School Sports website <https://www.socscms.com> which is synchronised to the College's own website; <http://www.wimbledoncollegesport.org.uk/Default.asp?Id=562>

Regular updates, stories and achievements are posted on the Sports Department Twitter page @wimb\_coll\_rugby please follow, like and retweet

Director of Sport: **Mr J Simon**

## Athletics

We field teams in a full range of competitions: Road Running, Cross Country Running, Sports Hall, Indoor Athletics, and Track and Field Athletics.

Pupils participate in local, regional and national competitions where they compete against other schools and clubs. There is the possibility of borough, district, county, and regional representation too!

Athletics practice takes place throughout the year:

**Winter Term** - we train for Road Running, Cross Country, Sports Hall, and Indoor Athletics.

**Summer Term** - we train for Track and Field Athletics.

Pupils are coached in the full range of Athletic disciplines:

Sprinting, Middle Distance Running, Long Distance Running, Hurdles, Relay, Long Jump, Triple Jump, High Jump, Discus, Shot Putt, Javelin and Hammer.

Training is open to all pupils, in all years. It takes place on Mondays at lunch time in the Sports Hall / on the school field. In the Summer term, once a week after school, we travel to Wimbledon Park Athletics Stadium, and use the facilities there.

Training kit – College PE kit and trainers

Competitions – College running vest and running spikes are provided. Pupils must bring their own white shorts, white socks, trainers and running spikes (if they have a personal pair)

Master i/c of Athletics: Mr A Soalla-Bell

## Basketball

Basketball is an ever-growing sport in this country and has been established as a Major Sport at Wimbledon College for many years. All Wimbledon College teams participate in Surrey Leagues and Cups and in 2019 our Year 9 squad made the Surrey League Finals. Domestically there are Merton Festivals in which all teams play.

### Autumn & Spring Terms

Master i/c: Mr J Simon

## Cricket

Cricket is the main sport in the **Summer Term**. Indoor nets begin after the February half term break in preparation for fixtures beginning after Easter. All year groups have A and B teams and the U12 have a C team. There is an extensive cricket fixture list against other schools played predominantly on a games afternoon. Outdoor cricket nets, built in 2010, have also extended opportunities for practice and the addition of a bowling machine has helped coaches target specific areas for improvement.

## Football

Following much success, particularly in the Surrey Cup, Football, along with Rugby Sevens, becomes the main sport in the **Spring term**. All year groups have A & B teams, with occasional C teams. Fixtures take place on Saturdays and during the week, and are against some of the most prestigious schools in the London area. All year groups enter the Surrey Cup, whilst the 1<sup>st</sup> XI also enter the National Catholic Schools cup.

## Rugby

Rugby is the main sport in the **Autumn Term**. All year groups have A and B and some C teams, with occasional further teams at U12, U13 & U14 level. There is an extensive rugby fixture list against many of the most prestigious schools in London and the South East. Most fixtures take place on Saturdays. There are also games during the week, including for the National Schools (used to be Daily Mail) Cup for the U15's and the 1<sup>st</sup> XV as well as the new National schools cup competition for the U14s age group. The College also runs rugby tours every two years. In 2018 the U14's & U15's toured British Columbia (Canada) and Washington State (USA), whilst the seniors toured Australia in 2014. Tours in 2020 were unfortunately cancelled due to Covid-19 restrictions but have resumed for 2023 (U18 touring Portugal) and with further tours planned for 2024 for the Senior U16-18 (South Africa) and Junior 14 & U15 age groups (destination tbc)

**Training details are correct at time of print but will be subject to change once work commences on the College playing field.**

This will change all training nights and be conducted at our playing fields at Coombe Lane after school on the days that the year group has their GAMES session in the afternoon;

- Monday = Lower Grammar (Y9)
- Tuesday = Rudiments (Y8)
- Wednesday = Syntax (Y11) & Seniors (Y12 & Y13)
- Thursday = Grammar (Y10)
- Friday = Figures (Y7) & Seniors (Y12 & Y13)

**Games sessions will be extended for a further 60-90 minutes to facilitate travel time for both staff and pupils in Population 2 who are at school. Transport will be available for those at school**

## Rugby Sevens

Rugby Sevens runs alongside Football as the main sport in the **Spring Term**. The College has achieved much success in rugby sevens with many tournament victories, including the Rosslyn Park National Sevens in 2010, 2013 and 2014. Training begins in January, with tournaments running in February and March. Tournaments take place both during the week and on some weekends. Our own John Pieroni U15 Sevens takes place during the Spring Term.

# Minor Sports

In addition to the major sports, the school aims to provide sport for all pupils through an extensive and growing programme of Minor Sports. The aim of the **Minor Sports** programme is:

- to be open to all
- to be run as much for health and enjoyment as for competition
- to have a handful of fixtures or events

All pupils are encouraged to find at least one sport they enjoy. We do expect pupils to make a commitment to minor sports – once they have signed on, they are expected to attend regularly and participate in any fixtures and events.

## Boxing

One of the most popular and highly attended minor sports Wimbledon College offers. Wimbledon College Amateur Boxing Club (ABC) is a Boxing Club fully affiliated to 'Amateur Boxing Alliance.' Pupils from all year groups welcome (we are particularly keen to get pupils in Yr7 and Yr8 join), however, this is a competitive contact sport and there has to be a reasonably high level of fitness and strength initially expected and required for pupils to go on and represent the College competitively. The club has excellent equipment and two very experienced coaches. Those that are considered ready and have demonstrated the ability to box to a high standard will have the opportunity to box competitively against other pupils of similar age/ability from other boxing clubs across the country and enter both London and National Boxing Championships

Master i/c Boxing: Mr S Afshar & Mr Kuczewski

## Cross-Country Running

Cross Country Running is open to all pupils, in all years.

The pupils participate in local, regional and national competitions where they compete against other schools and clubs. There is the possibility of borough, district, county, and regional representation too!

**Autumn and Spring Terms**

Training – this is overseen by coaches at Hercules Wimbledon Athletic Club.

Training takes place on Tuesdays and Thursdays from 6pm to 7.30pm at Wimbledon Park Athletics Stadium

Training kit – College PE kit and trainers

Competitions – A College running vest is provided. Pupils must bring their own white shorts, white socks, trainers / football boots / Cross Country running spikes (if they have a personal pair)

Master i/c of Cross Country: Mr A Soalla-Bell

## **Fitness Training**

Fitness Training is a term for the many types of exercise devoted to the increase of muscle tone, strength and endurance. The combination of resistance training with a program of aerobic exercise is a key component to overall individual health. Benefits include raised metabolism, strengthening bones, increased endurance, resistance to injury, increased confidence and improved co-ordination and balance. Training will range from beginner to advanced with focus on resistance training and isometric exercise. All muscle groups will be targeted. Attention will also be paid to sport specific muscle development.

This club will also offer the opportunity for those who wish to build their cardiovascular and muscular endurance using the CV machines
