**Model letter to be completed by parents requesting that the school supervises the administration of medicines.**

Date

Dear [Headteacher],

**Administration of prescribed medicines**

(Name of pupil) has been diagnosed as suffering from (illness and condition). He is considered fit for school but requires the following prescription medicines to be administered during school hours (name of medicine). I have provided the named medicine in an appropriately labelled container, with dosage instructions clearly stated.

I understand that if the school has any medication for my son that is no longer required, or which is out of date, it will be returned to me for me to dispose of appropriately.

Could you please therefore supervise my son's (dosage) at (time).

Please continue this until (give date on which medication should stop).

I will let the school secretary know of any changes to these arrangements.

I accept that it is my son's responsibility to remember when to take his medication, to measure it out correctly and to actually administer it to himself, under the supervision of a member of staff.

Further instructions or information that the school may need:
