## Extra-Curricular Activities 2025-26

Wimbledon College offers a large range of extra-curricular activities. These complement the curriculum and offer pupils the opportunity for learning and developing in different ways. There is a wide range including major and minor sports, music, drama, faith-based activities as well as subject enhancement clubs. There really is a club or activity for every interest!

All pupils are encouraged to participate in at least two extra-curricular activities per week. By getting involved in activities beyond the classroom, pupils participate in the life of the school and have ownership of their school. This supports their studies and, time and again, we see that those who are most involved in the extra-curricular programme are those who do best in their studies. It is certainly our experience that pupils who are heavily engaged in the extra-curricular life of the school not only do well academically but tend to be happier well-adjusted people.

Whether you are parent or pupil, do get involved in the extra-curricular programme at Wimbledon College: expand your horizons and make the most of your God-given talents.

Wimbledon College is a Jesuit School of the British  
Province of the Society of Jesus

# Chaplaincy

The chaplaincy is one of the many ways in which Wimbledon College cares for each individual student as a whole rounded person. Our Jesuit identity and Catholic Christian faith are interwoven through all we do as a school, but the Chaplaincy has a particular role within this for helping students to have opportunities to develop their faith and relationship with God, to ask questions, to learn and explore, to reflect on their own lives, to be challenged by new experiences, and to see how the faith links with their lives.

The Chaplaincy is there for each and every student; it always has an 'open door' for anyone who is seeking some help or support, and works closely with the PSAs and Heads of Line to provide pastoral care. There is a very wide range of activities and opportunities on offer for all students to be able to be involved in some way. You can keep up to date with Chaplaincy activities through the chaplaincy section of the school website.

## CAFOD & Eco-Action Group

A club for students who are passionate about protecting the environment and other social justice issues. Students will build leadership skills and get involved with projects to help our school community, our local community and our global community.

All Year Groups  
Wednesday lunch times 12.40 – 1.20pm Chaplaincy Office

## “The Chosen”

“The Chosen” is a fantastic new ‘Netflix style’ series looking at the life of Jesus from a different perspective. In this club we will be watching this series as well as having small discussions about what we have seen.

All Year Groups  
Thursday lunch times 12.40 – 1.20pm Chaplaincy Office

## Chaplaincy Audio Visual (AV) Club

A chance for students to develop photography, videography, sound recording, digital art, and photo and video editing skills.

All Year Groups  
Friday Lunch-times 12.40 - 1.20pm Chaplaincy Office

## Guild of St Stephen (Altar Serving)

The school has a large group of Altar Servers. To recognise their enthusiasm and commitment we have started a Guild of St Stephen in the school. Students who regularly serve at the major school masses, will be eligible for the bronze medal, which they will then be able to wear whenever serving in the school.

Open to all – Apply to the Chaplaincy

## **Eucharistic Ministry**

Sixth Formers are invited to train as Extra ordinary Ministers of Holy Communion and then to help distribute communion at College Masses.

Sixth Form  
Training begins in October

## **Homeless Sleep Out**

It is estimated that over 15,000 people are homeless in London. This is a major social problem of our times. The Homelessness Experience aims to inform and allow Sixth Form pupils to experience homelessness first hand. Pupils will spend a night sleeping rough on the school playgrounds, as well as discovering some of the real-life stories of homeless people, spending time in prayer and reflection, and using the experience as a fundraising opportunity to support some of the charities that do great work in supporting homeless people and helping to transform their lives.

Sixth Form  
Date TBC

Please see Mr Reynolds for a lunch pass.

**Monday lunchtime in MU1**  
**Mr J Reynolds**

## The Orchestra Project

This venture in music education was started in 2005. We offer some group tuition (£20 per term) on various instruments. This year our focus will be the trumpet and trombone whilst providing the opportunity for violinists and clarinetists from last year to continue. Pupils are asked to commit 20 minutes a night to practice. In school they will work in ensembles and be taught in groups by specialist tutors. The students will take part in a concert during the school year. We ask for a £20 voluntary donation to cover the cost of instrument hire and maintenance.  
**All parents in Year 7 and 8 will be emailed about this.**

**Mr I Thomas**

## Duke of Edinburgh Bronze Award

The Duke of Edinburgh Bronze award is available at the College to pupils entering Year 10. The award requires pupils to complete a physical, skills and volunteering section in their own time for a time period of up to 6 months. The final section is the completion of a 2 day self-sufficient expedition of the Surrey Hills where pupils will work as a team to navigate their way through the countryside, be responsible for their equipment and cook and prepare their food for each day. The award is very popular with up to 50 pupils participating in the award each year, some of whom later go on to complete the Gold Award with Merton whilst studying in the Sixth Form. It is a nationally recognised award and has been seen to have a real impact on our pupils, who upon completion have grown in confidence and developed a range of life skills that fit closely with the characteristics and virtues of the Jesuit Pupil Profile.

For more information about the Duke of Edinburgh award please visit [www.dofe.org](http://www.dofe.org)

Duke of Edinburgh Co-Ordinator

Mondays 7.30 - 9.00pm

Sacred Heart Parish Hall, Edge Hill, Wimbledon

Contact: Mr M Orbell email: michaelorbell@hotmail.com

## **School Council**

The School Council meets twice a year and provides an opportunity for pupils to have their say and contribute to the development of policies and arrangements which affect their lives at school. Each Tutor Group elects a representative and Council meetings are preceded by an extended tutor period which encourages every pupil to discuss the agenda. Minutes from the meeting are discussed at the next available Senior Leadership Team Meeting.

## **Star Wars Club**

An opportunity for pupils to share their love of all things related to the events that happened a long time ago in a galaxy far, far away, participating in games and activities while watching The Clone Wars animated series.

# Major Sports

The **Major Sports** programme is the core of the sporting activity and offer at the College. We currently have seven major sports: **RUGBY, RUGBY 7s, FOOTBALL, CRICKET, BASKETBALL, ATHLETICS and SWIMMING.**

The aim of the Major Sports programme is:

- to involve large numbers of pupils and field as many competitive teams as possible
- to select teams on talent
- to run a full fixture list against other schools
- to enter competitions
- to train at least once a week
- to give pupils the opportunity and encouragement to play at district, county, regional and national level

All pupils are encouraged to try out for the Major Sports. Pupils who have a talent for a sport and are selected for teams will be expected to train and play for the school. This must take precedence over out-of-school teams and commitments.

A full list of fixtures, team sheets and match details can be found on the School Sports website

<https://www.socscms.com> which is synchronised to the College's own website;

<http://www.wimbledoncollegesport.org.uk/Default.asp?Id=562>

Regular updates, stories and achievements are posted on the Sports Department X page @wimb\_coll\_rugby and the College's Instagram [wimbledoncollegeofficial](#) please follow, like and retweet

Director of Sport: **Mr J Simon**

# Athletics

We field teams in a full range of competitions: Cross Country Running, Sports Hall Athletics, Indoor Athletics and Track and Field Athletics.

The boys participate in local, regional and national competitions where they compete against other schools, and clubs. There is the possibility of borough, district, county, and regional representation too!

Athletics practice takes place throughout the year:

**Winter Term** - We train for Cross Country, Sports Hall Athletics, and Indoor Athletics.

**Summer Term** - We train for Track and Field Athletics.

The boys are coached in the full range of Athletic disciplines:

Sprinting, Middle Distance Running, Long Distance Running, Hurdles, Relay, Long Jump, Triple Jump, High Jump, Discus, Shot Putt, Javelin and Hammer.

Training is open to all boys, in all years. It takes place on Tuesdays at Lunch Time in the Sports Hall / on the school field. In the Summer Term, once a week after school, we travel to Wimbledon Park Athletics Stadium, and use the facilities there or at the school playing field.

Training kit – College PE kit and trainers.

Competitions – A College running vest and running spikes are provided. Boys must bring their own white shorts, white socks, trainers and running spikes (if they have a personal pair).

Master i/c Athletics: Mr J Simon

# Basketball

Basketball is an ever-growing sport in this country and has been established as a Major Sport at Wimbledon College for many years. All Wimbledon College teams participate in Surrey Leagues and Cups in Year 7 and Year 8 in the junior NBA.

## Rugby

Rugby is the main sport in the **Autumn Term**. All year groups have A and B and some C teams, with occasional further teams at U12, U13 & U14 level. There is an extensive rugby fixture list against many of the most prestigious schools in London and the South East. Most fixtures take place on Saturday mornings. There are also games during the week, including the National Schools Cup for the U15's and the 1<sup>st</sup> XV as well as the new National schools cup competition for the U14s age group. The College also runs rugby tours every two years. In 2018 the U14's & U15's toured British Columbia (Canada) and Washington State (USA), whilst the seniors toured Australia in 2014. Tours in 2020 were unfortunately cancelled due to Covid-19 restrictions but resumed in 2023 (U18 touring Portugal) with further tours in 2024 to British Columbia, Canada for the Junior U14 & U15 age groups

## Rugby Sevens

Rugby Sevens runs alongside Football as the main sport in the **Spring Term**. The College has achieved much success in rugby sevens with many tournament victories, including the Rosslyn Park National Sevens in 2010, 2013 and 2014. Training begins in January, with tournaments running in February and March. Tournaments take place during the week and on some weekends. Our own John Pieroni U15 Sevens takes place during the Spring Term.

# Minor Sports

In addition to the major sports, the school aims to provide sport for all pupils through an extensive and growing programme of Minor Sports. The aim of the **Minor Sports** programme is:

- to be open to all
- to be run as much for health and enjoyment as for competition
- to have a handful of fixtures or events

All pupils are encouraged to find at least one sport they enjoy. We do expect pupils to make a commitment to minor sports – once they have signed on, they are expected to attend regularly and participate in any fixtures and events.

## Badminton

Opportunity to improve your badminton skills and participate in friendly matches.

### **Open to all years**

Tuesdays 12:40-1:20pm (Sports Hall)

Mr A O'Hare

## Boxing

One of the most popular and highly attended minor sports Wimbledon College offers. Wimbledon College Amateur Boxing Club (ABC) is a Boxing Club fully affiliated to the 'Amateur Boxing Alliance.' Pupils from all year groups welcome (we are particularly keen for pupils in Yr7 and Yr8 to join). This is a competitive contact sport and there is a high level of fitness and strength initially expected and required for pupils to go on and represent the College competitively. The club has excellent equipment and two very experienced coaches. Those that are considered ready and have demonstrated the ability to box to a high standard will have the opportunity to box competitively against other pupils of similar age/ability from other boxing clubs across the country and enter both London and National Boxing Championships.

### **Year 7-Y13**

## **Fitness Training**

Fitness Training is a term for the many types of exercise devoted to the increase of muscle tone, strength and endurance. The combination of resistance training with a program of aerobic exercise is a key component to overall individual health. Benefits include raised metabolism, strengthening bones, increased endurance, resistance to injury, increased confidence and improved co-ordination and balance. Training will range from beginner to advanced with focus on resistance training and isometric exercise. All muscle groups will be targeted. Attention will also be paid to sport specific muscle development.

This club will also offer the opportunity for those who wish to build their cardiovascular and muscular endurance using the CV machines. Number per session will be limited to 20 and pupils may have to do an induction prior to being allowed in.

**Year 7-13 by appointment only - limit to 20 pupils – you must see Mr McDonald and be approved to join the group**
