

Dear Parents and Carers,

The government has introduced new Relationships and Sex Education (RSE) and Health Education guidance, which we are required to follow from 1 September 2026. We are currently reviewing our curriculum and policy to ensure that our provision remains appropriate for our pupils.

As part of this process, we will be holding an online briefing to discuss our RSE policy and the changes that have been made to comply with the new guidance. The online briefing will take place at 5:30 pm on Tuesday 23 June 2026 and should last no more than 45 minutes. To access the meeting, please click on the link [here](#).

Following the briefing, there will be a consultation period where the draft policy will be uploaded to the PSHE and RSE page of our website, and parents/ carers are invited to submit any feedback they may have. This period of consultation will end at 3.30pm on Friday 3 July 2026.

Thank you for your time and support.

Yours sincerely,
