

**KS3**

**Doing**

- Go to Geography club. Ask your teacher for time and location.
- Get outdoors and observe and record examples of physical geography in action. This might include looking at a river or a coastline and seeing what landforms and processes you can identify.
- Keep a travel journal and map all of the places you've been to.
- Play 'GeoGuessr' online - (Game using StreetView images that drops the player in a random location and challenges them to work out where they are)

<https://geoguessr.com/>

- Download some of these useful apps onto your phone:

Your World  
World Geography Quiz  
Hazards and Population Mapper  
Earth Viewer  
Google Earth

- Visit the royal Geographical Society website. Here you can find out about all of the latest news and enter the Young Geographer of the Year competition.

<https://www.rgs.org>

<https://www.rgs.org/schools/competitions/>

- Make a Flag: Country flags are designed to represent the history or ideals of a country. Design a flag that represents you—you can model it on your heritage, favorite activities, sports, animals, or family.

**Watching and Listening**

- Watch the news, read a newspaper or download news app on your phone to keep up with what's going on with the human population across the world.
- Pompeii (2014)
- San Andreas (2015)
- The Impossible (2012)

- Various BBC documentaries covering both physical and human geographical themes.
  1. Equator (2006)
  2. Tropic of Capricorn (2008)
  3. Tropic of Cancer (2010)

### **Reading**

- Check the Wimbledon College Reading List.

## KS4

Most of the suggestions for KS3 are still relevant for KS4

### Doing

- Neighbourhood Map: Create a map of your neighbourhood *without* key map elements, like a compass rose, labels, and a key. Then have a family member or friend try to use the map to reach a particular destination. Talk about the ways in which the map was difficult to use.
- Explore a Line of Latitude: Pick a line of latitude and use a globe to trace that line in a full circle. Make a list of the countries and other important features, such as mountain ranges or deserts, that the line of latitude passes through. Think about the similarities and differences between these countries and features.
- Follow a Tropical Storm's Path: Plot the path of a tropical storm or hurricane on a map. Record [data about the storm](#), and make predictions about whether a storm will become a hurricane. Confirm or revise your predictions as you get new data.

### Watching and Listening

- Watch some documentaries from the series listed below:

C4 Unreported World

<http://www.channel4.com/programmes/unreported-world/episodeguide/series-2018>

BBC's Panorama

<https://www.bbc.co.uk/programmes/b006t14n>

BBC's Horizon

<https://www.bbc.co.uk/programmes/b006mgxf/episodes/player>

- Pompeii (2014)
- San Andreas (2015)
- The Impossible (2012)
- Various BBC documentaries covering both physical and human geographical themes.
  1. Equator (2006)
  2. Tropic of Capricorn (2008)
  3. Tropic of Cancer (2010)
  4. Planet Earth
  5. Human Planet

## Reading

- Check the Wimbledon College Reading List.
- Subscribe to magazines such as:

National Geographic

<https://www.nationalgeographic.com>

Geography Review

<https://www.hoddereducation.co.uk/product/9781471891533.aspx>

**KS5**

**Doing**

- Attend a summer school run by the FSC at one of its field centres.

<https://www.field-studies-council.org/>

- Answer the following question: Was the Thames Barrier worth the cost?
- Answer the following question: What are the impacts of superpowers on the global economy, political systems and the physical environment?
- Answer the following question: What are the threats to national sovereignty in a more globalised world?
- Attend Geographical Association lectures – advertised in 6<sup>th</sup> form area and by teachers.

<https://www.geography.org.uk/>

- Join the Royal Geographical Society and attend some of their lectures.

<https://www.rgs.org/schools/school-student-events/>

- Visit the Crystal in London – an exhibition about sustainable cities

<https://www.thecrystal.org/>

**Watching and Listening**

- Watch the news to keep up with Worldwide events such as natural disasters, mass migration and political upheaval.
- Listen to the ‘From Our Own Correspondent’ or ‘The Documentary’ podcasts from the BBC.

<https://www.bbc.co.uk/programmes/b006qjlq>

<https://www.bbc.co.uk/programmes/p02nq0lx/episodes/downloads>

- Global Flooding over the next 100 years by National Geographic

<https://www.youtube.com/watch?v=3sZwcnP1r8M>

- Flood (2007)
- Extreme Engineering: Venice Flood Gates (2004)
- The way home (2002)
- Capitalism: A love story (2009)

- Bombay calling (2006)
- The war to live in London: Regeneration Game (2015)
- My Brooklyn (2015)
- More than a river (2005)
- Blue Gold: World Water Wars (2008)
- Switch (2012)
- Syriana (2005)
- There will be blood (2007)
- Bitter Lake (2015)
- The New Rulers of the World (2001)
- Superpower (2008)
- Deutschland 83 (2016)
- Terraferma (2011)
- Winter on fire: Ukraine's fight for freedom (2015)
- City of God (2002)
