

Geography

Note-taking planner -

Physical Landscapes in the UK	Wave types and characteristics	
	Weathering and Mass Movement	
	Coastal erosion processes	
	Coastal erosion landforms	
	Coastal deposition landforms	
The Living World	Case study: Swange	
	Impacts of deforestation in Malaysia	
	Managing TRF	Hard engineering
	Sustainable Management of TRF	Soft engineering
	Desert characteristics	Managed retreat
The Challenge of Natural hazards	Opportunities for development in deserts	Case study: Lyme Regis
	Challenges of development in deserts	Changes in rivers and their valleys
	Causes of desertification in deserts	Fluvial (river) processes
	Reducing desertification in deserts	River erosion landforms
	Reducing desert hazards in the UK	River deposition landforms
	Case study: Somerset Floods	River landforms on the River Tees
	Extreme weather in the UK	Factors increasing flood risk
	Evidence for climate change	Hard engineering
	Natural causes of climate change	Soft engineering
	Human causes of climate change	Managing floods at Banbury

Urban Issues and Challenges	The increasing urban world									
	The emergence of megacities	Case study: Rio de Janeiro	Where do people live in the UK?							
The changing economic world	Our unequal world	Measuring development	Changing population structures	Causes of uneven development	Uneven development – wealth and health	Uneven development - migration	Reducing the gap	Case study: The Temple Quarter	Planning for urban sustainability	
	The Demographic Transition Model	The Provision of food in the UK	Provision of water in the UK	Provision of energy in the UK	Analysing and concluding fieldwork	Evaluating enquiry	Cartographic skills	Case study: Nigeria	Sustainable living in Freiburg	Sustainable traffic management strategies
The challenge of Resource Management	He global distribution of resources	Provision of food in the UK	Provision of water in the UK	Provision of energy in the UK	Analysing and concluding fieldwork	Evaluating enquiry	Cartographic skills	Case study: Nigeria	Changes in the UK economy	A post-industrial economy
	Primary data collection	Processing and presenting fieldwork	Analysing and concluding fieldwork	Evaluating enquiry	Cartographic skills	Graphical skills	Statistical skills	UK Science and Business parks	Environmental impacts of industry	Changing rural landscapes in the UK
Fieldwork	Investigating river processes and management	Primary data collection	Processing and presenting fieldwork	Analysing and concluding fieldwork	Evaluating enquiry	Cartographic skills	Graphical skills	Statistical skills	Changing transport infrastructure	The north-south divide
	Primary data collection	Processing and presenting fieldwork	Analysing and concluding fieldwork	Evaluating enquiry	Cartographic skills	Graphical skills	Statistical skills	UK Science and Business parks	Environmental impacts of industry	The UK in the wider world
